The parents who make up the Brookwood Performing Arts Boosters (BPAB) have been instrumental in providing much needed assistance for the Brookwood Arts programs through monetary support and volunteer efforts. Our performing arts program **is** the best, and it's because our administrators, teachers, students and parents fully encourage these programs. Please join BPAB by contributing at one of the Membership Levels listed below. Your tax-deductible financial support is greatly appreciated. Together, we can make this year better than ever.
